EDUCATION

Sasi Institute of Technology and Engineering
B.Tech in Computer Science and Engineering
CGPA: 7.5 (till date)

Tadepalligudem , Andhra Pradesh, India
Expected Graduation: April 2025

PROFILE SUMMARY

Targeting **Software Developer** roles with an organization of high repute with a scope of improving knowledge and further career growth.

- Upskilling myself to manage and deliver projects **efficiently**, from initial planning and design to final deployment and maintenance.
- Committed to **staying updated** with the **latest industry** trends and technologies, continuously enhancing skills to provide innovative solutions.

PROJECTS

Smart Expense Tracker | [LINK](#)

March 2025 – present

Technologies Used: Java, Spring Boot, REST APIs, MySQL, Maven, Postman

- Developed a Java Full Stack expense tracking system using Spring Boot for backend services and MySQL for database management, enabling secure and efficient financial data management via RESTful APIs.
- Created a Java-based frontend interface (JSP/Servlets), ensuring smooth user experience, while performing thorough API testing with Postman and best practices for security, scalability, and maintainability.

ATM Operation | [LINK](#)

December 2024 – January 2025

Technologies Used: Java, JDBC, MySQL

- Built a console-based ATM system in Java, enabling users to perform core functions such as deposits, withdrawals, and balance inquiries, with secure and efficient data handling using JDBC and MySQL.
- Ensured modular, secure code architecture by applying object-oriented principles, integrating basic encryption, and optimizing database performance for reliable and scalable transaction management.

ACHIEVEMENTS

- **CCNA Certification:** Demonstrated foundational networking knowledge.
- **Java Full Stack Development:** Successfully completed TalentNext program.
- **Seminars:** Presented on AI Trends and RASA Chatbot.

SKILLS

Programming & Web : C , Python , Java , HTML/CSS, JavaScript, MongoDB.

Databases : SQL , MongoDB.

Tools : Git (for GitHub), VS Code, Eclipse IDE.

Office Tools : MS Office (Excel, Word, PowerPoint)

Core Competencies : Data Structures and Algorithms, Web Development, Problem-Solving, OOP's.

Soft Skills : Team work, Problem solving, Consistency, Multi-tasking, Time management, Adaptability, Communication.

Extra-Curricular Activities:

National Cadet Corps (NCC) - B & C Certificate Holder

- Demonstrated leadership, discipline, and teamwork during my B.Tech as an active NCC cadet.
- Participated in **Training camps, drills, and national parades, shooting & adventure camps.**
- Engaged in social service activities such as environmental awareness drives & blood donation camps.
